**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition.

When I moved to California a few years ago, I had internet and phone service with AT&T. During those first 2 years, my phone and/or internet service was cut off or disrupted 3-4 times a year during each of those years. Their customer service was TERRIBLE, putting me on LENGTHY holds when I called about the problem. Their wiring was very poor quality and the technician told me that I was sometimes not getting a good enough signal from the main box to my home.

I am now a Sonic customer and LOVE their service. I have not had ONE SINGLE PROBLEM since signing up with them. I WOULD BE EXTREMELY UNHAPPY IF YOU LET THESE LARGE CORPORATIONS SQUELCH ANY COMPETITION.

These large corporations are trying to create a monopoly and without competition, they are free to raise rates, etc. unchallenged.

America is the great country it is because of capitalism allowing competition. PLEASE DO NOT LET AT&T TAKE OVER OUR RIGHT TO FREE CHOICE!!!!!!
